5. Evildoers – how I detest them.  
 But when their leaders are flung down  
 from rocky cliffs and overthrown,  
 they'll know how justly I addressed them.

7. LORD, my eyes I fix now directly on you,  
 my helper in the strife.  
 Save me from danger, guard my life;  
 in your unfailing love, protect me.

6. As new-ploughed earth with rocks is cluttered,  
 as barren fields are strewn with stones,  
 so, as it were, our very bones  
 before the gaping grave lie scattered.

8. Keep me from those who would ensnare me,  
 from traps that wicked men have set;  
 let them be caught in their own net,  
 while I escape because you spare me.
