

O Righteous God of My Salvation

PSALM 4 - Solmusic

Major

1. O right-eous God of my sal - va - tion, be
2. Know that the Lord in his good pleas - ure has
3. So man - y sigh, "O who will ev - er show

mer - ci - ful and hear my plea! In times of trou - ble or op - pres - sion you
set the right-eous ones a - part: he claims them as his own, his treas - ure. In
an - y good to us a - gain?" O Lord whose mer - cy fails us nev - er, be -

sent me help and con - so - la - tion. Be gra - cious now and an - swer me!
mer - cy great be - yond all meas - ure, he takes my mis - er - y to heart.
stow on us your love and fa - vour, and cause your face on us to shine.

How long, O men, will you bring sor - row and turn my hon - our in - to shame?
Do not let wrath breed sin and vio - lence. Re - strain your an - ger and be still;
More joy and glad - ness you have sent me than all the joy of those who feast

How long yet will you love and fol - low lies and de - lu - sions, vain and hol - low?
lie down to med - i - tate in si - lence. Place in the Lord your sole re - li - ance.
on grain and wine in days of plen - ty. Lord, in the safe - ty that you grant me,

How long will you re - vile my name? How long will you re - vile my name?
Bring him right of - ferings. Do his will. Bring him right of - ferings. Do his will.
I sleep in peace, from cares re - leased. I sleep in peace, from cares re - leased.
