

Into the Net O God You Brought Us

PSALM 66 (5-8) - Eucharistic Hymn

Major

E^b **B^b7** **E^b**

5. In - to the net, O God, you brought us,
 We went through fire, we went through wa - ter,
 6. Your ho - ly tem - ple I shall en - ter,
 Burnt sac - ri - fic - es I shall of - fer,
 7. Come and be to my words at - ten - tive,
 I cried to him in my af - flic - tion,
 8. If I had cher - ished an - y e - vil,
 For - ev - er blest be God my Sav - iour,

E^b **B^b7** **E^b**

laid heav - y bur - dens on our backs.
 but you then showed your power and grace,
 and there my thanks to you ex - press;
 with choic - est who fat - lings pay my vows;
 all you who in God in - truth re - vere.
 and he in mer - cy heard my voice;
 the Lord would not have heed - ed me,
 who has not turned a way my prayer,

A^b **Fm** **B^b**

Foes drove right o - ver us in char - iots;
 for you de - liv - ered us, your peo - ple,
 I shall ful - fil the vows I prom - ised
 with smoke of rams, with goats and bull - ocks
 Let me tongue de - clare how he has helped him.
 I know with that songs of praise he ex - tolled me;
 nor has with - held from me deed has heard me;
 his mer - cy,

E^b **Fm** **B^b** **E^b**

you hum - bled us by their at - tacks.
 and brought us to a spa - cious place.
 in days of trou - ble and dis - tress.
 I shall a - dore you in your house.
 how in my trou - bles he drew near.
 In his com - pas - sion I re - joice.
 he has at - tend - ed to my plea.
 his nev - er fail - ing love and care.
